

RUSSIAN UNIVERSITY
OF TRANSPORT (MIIT)

Russian University of Transport (MIIT): history and prospects of cooperation with academic educational centers, vocational schools and enterprises of the Islamic Republic Iran

RUSSIA – IRAN

The parties confirm the importance of cooperation in the field of sea, rail and air transport for the modernization of transport infrastructure and the development of the international transport corridor «North-South»

Statement by the Presidents of Russia **Vladimir Putin** and the Islamic Republic of Iran **Hassan Rouhani** at the meeting on November, 2 2017 in Tehran.

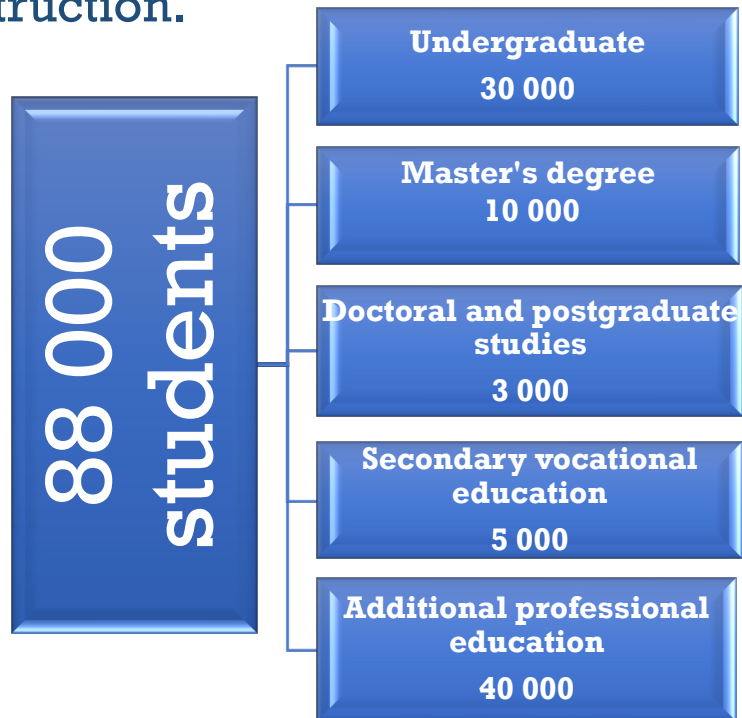

RUSSIAN UNIVERSITY OF TRANSPORT

RUT (MIIT) is the main partner for Iranian universities in scientific, educational and personnel support of the implementation of two and multilateral transport and logistics projects.

RUT (MIIT) founded in 1896 is the basic center of transport science and education of the Russian Federation. Today MIIT is the largest scientific and academic complex in Russia, the all Russian leader in the field of training and retraining of specialists and scientific personnel for transport and transport construction.

Stages of cooperation with Iran

Stage 1 1990 - 2000

Training of students and post-graduate students from Iran in RUT (MIIT), in areas (specialties):

- Construction of railways, bridges and transport tunnels;
- Rolling stock of railways;
- Operation of railways.

Implementation of the project to assess the seismic stability of building structures, technological bridges and tunnels for the Bushehr nuclear power plant.

Stages of cooperation with Iran

Stage 2 2014 - 2018 - associated with the activities of the Institute of International Transport Communications of the RUT (MIIT) to enhance Russian-Iranian scientific and educational cooperation.

- Speech of the Extraordinary and Plenipotentiary Ambassador of the Islamic Republic of Iran in the Russian Federation Mr. Mehdi Sanaei to the students and teachers of RUT (MIIT) on 19 September, 2014. The lecture was timed to the beginning of the academic year and is devoted to the theme “Russian-Iranian cooperation”;

Stages of cooperation with Iran

Stage 2
