

Ref. No. 3(105)/20-COMSTech

Thursday, September 24, 2020

Prof. Mahmoud Nili Ahmadabadi
President
Office of President, 5th Floor
Central Administration Building
University of Tehran
Enghelab Ave., Tehran
Islamic Republic of Iran

Subject: **COMSTech Patent Award 2019 - (Shared)**

Dear Prof. Mahmoud Nili Ahmadabadi,

I would like to inform you that the Organization of Islamic Cooperation (OIC) Standing Committee on Scientific and Technological Cooperation (COMSTech) has been conferring prestigious awards in various science disciplines since 1997. These biennial awards have been honoring distinguished individuals for important scientific contributions, processes, and inventions. The awards are duly advertised for maximum participation, and carry a certificate signed by the Chairman COMSTech (H.E. The President of Pakistan), shield of honor, and a cash prize.

I am delighted to inform you that, in light of the decision of a panel of international experts, **Prof. Sepideh Khoee** of your university has been jointly selected for the **COMSTech Patent Award 2019**. This is, indeed, an honor for your esteemed institution that one of your academic staff is receiving this international award.

With best wishes,

Yours sincerely,

M. Qasim Jan

Prof. M. Qasim Jan
(PhD, DSc, HI)
(Former Adviser)

- Copy to:
1. Prof. Dr. M. Iqbal Choudhary, *H.I.S.I., T.I.*, Coordinator General COMSTech
